Science

There are two science teachers and supply list is teacher dependent. Please wait until you receive your schedule for a supply list

Highlighter and colored pencils can be used for multiple classrooms, you do not have to buy a pack for each class.

If parents could please send a pack of pencils and notebook paper to each home room teacher we would appreciate it. We will use these throughout the year for those who run out of supplies. Also any Kleenex or hand sanitizer donation would be greatly appreciated.
